SOFTWARE.

Web & UX | Figma, HTML5, CSS3, WordPress
Adobe | Indesign, Illustrator, Photoshop, Dimension
Microsoft | Word, Excel, Outlook, Powerpoint

EDUCATION.

A.A.S Graphic Design
Southeast Community College
2024 — Spring 2026

The Graphic Design program is a comprehensive and intensive, block-scheduled learning environment that simulates how an agency thinks and designs. Throughout the program, I made design decisions backed by research and clear intention. We conducted client research, created personas, developed user stories, mapped user flows through information architecture, and built sitemaps. We differentiated between low-fidelity and high-fidelity wireframes, along with developing interactive prototypes and conducting usability testing.

Google UX Design Certificate
Coursera
August 2025 — June 2026

AWARDS.
